Dear Sir:

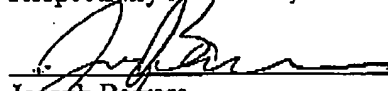

With this statement is a list of references that may be relevant to the consideration of the patent application identified above. Copies of the non-US references are also enclosed.

This statement shall not be construed as a representation that a search has been made or that no other material information as defined in 37 C.F.R. 1.56(a) exists.

If the U.S. PTO determines that a fee is due, please charge Applicant's Deposit Account No. 02-1425. However, it is believed that no fee is due.

Dated: November 3, 2006

Respectfully submitted,

Joseph Barrera
